

HAVASUPAI

Check-in for all permit reservations will take place at Grand Canyon Caverns Inn, located at Mile Marker 115, Route 66 near Seligman, Arizona 86434 (<https://www.mapquest.com/directions/to/us/arizona/grand-canyon-caverns-473021152>). The trip leader must check-in for all members of their group, beginning the day before your arrival date and no later than noon on the first day of your reservation. Failure to do so will result in your reservation being cancelled. No refunds or rescheduling of dates will be issued.

Havasupai Campground Reservation

To reserve a Pack Mule to carry your gear for the 20 miles from the Hilltop Trailhead to the Campground Entrance and then back again to the Hilltop Trailhead: <https://www.havasupairervations.com/account/packmule/add/CE8PPH>

Reminders:

Reservations are non-refundable, non-changeable, non-transferable (except via the official Transfer System at [HavasupaiReservations.com](https://www.havasupaireervations.com)), are only valid if the person named on this reservation (the "Trip Leader") is present at the Tourist Check-in Office with photo ID - otherwise this reservation is NOT valid and will NOT be honored. Reselling of reservations (in whole or in part) is strictly prohibited. Trip/travel insurance is highly recommended: <https://www.havasupaireervations.com/account/guide>

If a Trip Leader is unable to be present at check-in, or ends up with extra spots on their reservation that will be unused, they may use the official Transfer System here at [HavasupaiReservations.com](https://www.havasupaireervations.com) to transfer one, some, or all of the spots on their reservation either directly to a PATL (Potential Alternate Trip Leader) or via the public Cancellation / Transfer List. Reservations are otherwise non-refundable, non-changeable, and non-transferable.

To cancel / transfer this reservation (in whole or in part):

<https://www.havasupaireervations.com/account/campground/transfer/CE8PPH>

A PATL (Potential Alternate Trip Leader) is someone who is eligible to have a reservation transferred directly to them using the official Transfer System. You can edit the PATL list on your account at any time. However, once a reservation has been made, no further changes can be made to the PATL list for that reservation. Each reservation must have a unique trip leader.

Note: a PATL can NOT use a reservation to check-in (unless/until the original Trip Leader has officially transferred their reservation to that PATL via the official Transfer System at [HavasupaiReservations.com](https://www.havasupaireervations.com) - at which point that PATL becomes the new Trip Leader).

ALL visitors (even if they are not a Trip Leader or a PATL) must have an account on [HavasupaiReservations.com](https://www.havasupaireervations.com) made PRIOR to arrival so that they have confirmed their understanding of, and agreement with, Havasupai Rules and Laws.

ALL visitors must have proof of their account (a printout or screenshot of their Account Information Page), proof of their Campground Reservation (a printout or screenshot of the Campground Reservation that they are visiting under), and their photo ID available at all times while on Havasupai lands.

Link to Proof of Account: <https://www.havasupaireservations.com/account/settings/proof>

YOU are responsible for the conduct and actions of yourself and EVERYONE on your Campground Reservation (and on all related Campground Reservations).

Only visit Havasupai with people who are well known to you and who are not likely to create problems or issues.

Any violation of any Rule or Law may result in immediate termination of all permits for everyone included on all related Campground Reservations, and may also result in additional consequences, including, but not limited to, possible fines and a ban on future visits.

If you bring something onto Havasupai lands, you are responsible for also bringing it back off of Havasupai lands - do not leave ANYTHING behind.

Note that visitors may be checked upon exiting Havasupai to assure that they have taken ALL of their gear and trash back out with them.

ALL vehicles must have their Campground Reservation Confirmation Code visibly displayed through the front windshield on the passenger's side at all times while on Havasupai lands.
